AT A GLANCE

BENEATEAU OMBRINE 960

The **Ombrine 960** is a fast cruising hull with classic and elegant appeal (evolution of the renowned Beneteau Ombrine 900), ideal for fishing, relaxation or long-range cruising.
The wheelhouse is well protected from wind and spray. The spacious cockpit is protected by a high bulwark, perfect for accommodating table and outdoor chairs. Access to the large teak stern platform is via a safety gate. The long forward deck, bordered by railings and handholds for maximum safety, features a double sun lounger and a vertical electric windlass recessed flush with the deck. Internally, the spaces are warm and luminous, characterized by cherry-toned mahogany wood finishes.

This Ombrine 960 we are offering for sale **requires general restoration work**. The conditions shown in the photos reflect its current condition. The price has been significantly reduced to allow for the necessary work.
