MIMI LIBECCIO 25 CABIN

AT A GLANCE

MIMI LIBECCIO 25 CABIN

The Mimì Libeccio 25 Cabin is a traditional Italian gozzo measuring 7.50 metres, built by Cantieri Mimì. It combines classic Sorrento style with a diesel engine, a teak deck, 2 to 3 berths and a separate bathroom. It is suitable for day outings as well as for spending weeks on board with all comforts.

This Mimì Libeccio 25 Cabin that we are offering for sale is one of the few available with a bow thruster. This magnificent vessel requires no restoration; the gozzo is well-maintained and cared for in every detail. The owner has always been attentive and meticulous, carrying out routine and extraordinary maintenance every year.

Fuel consumption is minimal thanks to the diesel engine, while still allowing the boat to cruise both in displacement and planing mode, reaching speeds of up to 25 knots.
